

Wanted: Youth!

Do you want to help others? Make a difference in your community? Meet other great youth?

Then join us July 13-18, 2014, to show Gloucester County what God, working through youth, can accomplish.

Everyone is welcome!

Wanted: Volunteers! (and their children)

Do you like to help people ?

Do you like to work with youth?

Come to Helping Hands Mission Camp and you can do both!

There are a variety of jobs for all skill levels, training is provided.

You do not have to have youth at camp to volunteer.

We offer free daycare for adult volunteers.

Wanted: Churches!

We bring together churches from different denominations to minister to our clients and youth.

Churches can help by...

- **Joining our planning board**
- **Donating Funds for site supplies**
- **Providing adult leaders**
- **Donating food or site supplies**
- **Encouraging youth to attend camp**
- **Providing transportation to worksites & evening activities**

Helping Hands Mission Camp

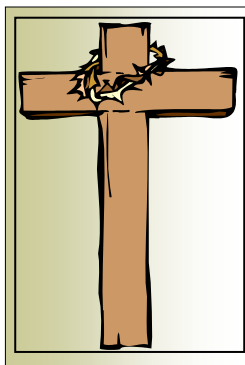

Who are we?

Helping Hands Mission Camp is a Christ centered, youth focused, multi-denominational community service mission for **rising 7th graders through recent high school graduates**. Youth campers are divided into work teams with adult mentors and complete home maintenance, home repairs and small construction projects located in Gloucester County.

We work hard during the day and play hard at night with lively worship services and evening activities. All meals, activities and a t-shirt are included in the fee.

We now offer free day care for the children of our adult volunteers.

Join us to have fun, help your neighbors and experience worship with great youth.

History

Helping Hands Mission Camp began in 2005 to help the citizens of Gloucester County who are “falling through the cracks”, meaning that there is much more need than there is help for those who cannot afford or who are physically unable to repair their homes or build wheel-chair ramps.

Our goals also include helping youth to realize their potential by showing them what they are capable of when they work together to help their neighbors and teaching them leadership skills. We provide an opportunity for different churches and denominations to come together and accomplish necessary community service projects. **Camp is also an opportunity for faith-building & creating a stronger bond with Jesus Christ.**

Helping Hands is a faith community effort and is overseen by a diverse board of local church members who plan all year for camp, which is held one week in July, Sunday through Friday. Campers pay a fee, adults are free but are required to help the camp and complete 2 background checks to protect the campers. Scholarships are available, don't let the fee keep you from attending camp!

A Day at Camp

- Wake up to eat a hearty home-cooked breakfast. Share morning devotions and prayer
- Gather tools, supplies, lunches, water, bug spray, sun screen, everything needed for a day on the work site
- Break for lunch, share devotions and cool off
- Back to work after a refreshing break
- Straighten the worksite, return to church
- Head out to take showers
- Eat a hearty home-cooked dinner
- Gather to worship: warm ups, sing, enjoy inspiring messages from our speakers
- Go out and play!
- Lights out, restful sleep
- Start again the next day
